

# Day Programs

## from Sea to Sky Outdoor School

January through March, 2010

### WHERE? You Choose!

#### The NATURE NEST

Come and visit the new Sustainability Education Classroom at Langdale Elementary School.

Raise eco-literacy and connect students to a world full of opportunity and challenge.

#### YMCA Camp ELPHINSTONE

Explore the creeks, forests and shorelines of this beautiful waterfront location close to the Nature Nest.

Cultivate a sense of place, build 'team' and offer a rich outdoor experience where nature is teacher.

#### At YOUR SCHOOL

Bring Sea to Sky's experienced teachers in to help you meet your sustainability curriculum needs.

Take up the Greenstar! challenge and shrink your school's eco footprint.

#### Cost per student:

\$30 - 20 - 40 students

\$25 - 40+ students

minimum group size 20 students
